

Pubdemy

v2

—

Overview

Pubdemy is an Online Learning marketplace where students/professionals can buy courses and start using them. The courses bought are free for lifetime.

Goals

1. Users are able to signup/signin the pubdemy.
2. After Sign up, the user should be able to login using the credentials mentioned.
3. After logging in, users should be able to search for courses (match title of the course).
4. Users can search the courses, add them to cart, view the summary, delete a course from cart and then finally checkout.

Specifications

This project is created using the following specs and libraries :

- React (v18^)
- Redux Toolkit
- Bootstrap
- MongoDB
- React Hook Forms
- React Router DOM

The screens and goals are captured in snapshots.

Login Screen

The screenshot shows the Udemy login page. At the top, there's a navigation bar with the Udemy logo, a search bar, and links for 'Log in' and 'Sign up'. Below this, the main heading is 'Log In to Your Udemy Account!'. There are four social login options: 'Continue with Facebook', 'Continue with Google', 'Continue with Apple', and 'Email'. Below these is a 'Password' field and a 'Log In' button. At the bottom, there's a link for 'Don't have an account? Sign up'.

Annotations:

- Validation of password done using react hook forms. It is a required field. Check for password having at least one numeric, one alphanumeric and min length as 8 characters.
- Validation of email done using react hook forms. It is a required field.

Sign Up Screen

The screenshot shows the Udemy sign-up page in a web browser. The browser's address bar displays a complex URL. The page features a search bar with the text "Search for anything" and a "Log in" button. The main content area is titled "Sign up and start learning" and contains three input fields for "Full Name", "Email", and "Password". Below these fields is a blue "Sign Up" button. A small text line states, "By signing up, you agree to our [Terms of Use](#) and [Privacy Policy](#)." At the bottom of the form, there is a link for users who "Already have an account?" with the text "Log in". The footer section includes a banner for "Top companies choose Udemy Business to build in-demand career skills." with logos for Nasdaq, VW, box, NetApp, and eventbrite. It also contains a grid of links for "Udemy Business", "Careers", "Terms", "Teach on Udemy", "Blog", "Privacy policy", "Get the app", "Help and Support", "Cookie settings", "About us", "Affiliate", "Sitemap", "Contact us", "Investors", and "Accessibility statement". A language selector set to "English" is located in the bottom right of the footer. The Udemy logo and copyright notice "© 2022 Udemy, Inc." are at the very bottom.

Course Details Screen

The screenshot shows the Udemy course details page for 'Complete Fingerstyle Guitar Lessons - Beginner Fingerpicking' by Joe Robinson. The course is a 'Bestseller' with a 4.7-star rating from 1,855 ratings and 7,959 students. It was created by Ench Andreas, Joe Robinson and last updated on 2/2022. The course is in English.

What you'll learn

- ✓ Fingerstyle Guitar
- ✓ Beginner Guitar
- ✓ Fingerpicking Guitar

Requirements

- Guitar
- Willing to practice

Description

Want to learn guitar from a world-renowned fingerstyle guitarist? Join Joe Robinson, award-winning guitarist, touring musician and singer-songwriter in **Complete Fingerstyle Guitar Lessons - Beginner Fingerpicking**. Joe will start you at the very basics, introducing you to some of his philosophy and expert practice tips, and before you know it you will be playing full fingerstyle songs. In this course, Joe gives you a complete breakdown of dozens of chords, then walks you step-by-step through building familiar songs and adding some style and groove to your playing. This course is perfect for any level of guitar player, but will be especially beneficial to beginner players or players with little to no knowledge of fingerstyle. In addition to learning brand new techniques, any player can benefit from the practice habits and advice throughout this course. Watch this program shape you into a more structured and technique-based player.

This course is complete with:

- 13 digestible sections
- 126 total lectures
- 10 downloadable resources
- Over 5 hours of video lessons

No prior knowledge or skill is required to take this course. Just have a guitar and be ready to learn and practice! You can't find this course anywhere else on the internet. Buy today and begin learning from the best.

Course Price: ₹3,999

Add to cart **Buy now**

30-Day Money-Back Guarantee

This course includes:

- 5.5 hours on-demand video
- 70 downloadable resources
- Full lifetime access
- Access on mobile and TV
- Certificate of completion
